APPLICATION: WHAT SHOULD I DO?

We don't want to just know more about the Bible. We want to put into practice what we learn.

WIN

To move past information and apply what we learn

CONNECT

Application is about putting what we learn into practice. What's something you've intended to do for a long time (at home, with your family or friends, at work, etc.), but you haven't done it yet. What usually gets in the way of it getting done?

REVIEW

1. Did you have a chance to read some of the background information from the book of Luke? What stood out to you?
2. Regarding Luke 8:22–25, what is it about Jesus that Luke may have been trying to communicate to the original readers of this story?

LEARN

Before watching the video together and discussing the questions provided, we suggest taking a few moments to pray. Here's a simple prayer you can use:

Heavenly Father, Give us the courage to act when we know what we should do. Amen.

After praying, watch the video for **Part 3: Application**.

LUKE 8:22–25

22 One day Jesus said to his disciples, “Let us go over to the other side of the lake.” So they got into a boat and set out. 23 As they sailed, he fell asleep. A squall came down on the lake, so that the boat was being swamped, and they were in great danger.

24 The disciples went and woke him, saying, “Master, Master, we’re going to drown!”

He got up and rebuked the wind and the raging waters; the storm subsided, and all was calm. 25 “Where is your faith?” he asked his disciples.

In fear and amazement they asked one another, “Who is this? He commands even the winds and the water, and they obey him.”
